Message from the President

Hello all!! We are getting closer to the holidays; my tree is already up! It's not decorated yet, baby steps here.

Please join us via Zoom for our December meeting. We will have a visit from Paul Leger, followed by virtual games, and PRIZES!

The Executive Committee is also excited to announce that January's workshop with Phyllis Cullen will be free of charge to members. I really enjoyed her lecture last season, All About the Face, her workshop promises to be equally as interesting. PLEASE NOTE: while this workshop is being offered at no charge to members, you are expected to attend! If you sign up but fail to attend, you may be taking a space away from another person who wanted to attend, and a fee may be levied.

Members are encouraged to continue making blocks and/or whole quilts for the Quilts for Survivors project, run by Vanessa Genier of Timmons. What started as a project with a deadline saw a need greater than its boundaries. This project, which provides comfort quilts for survivors of the residential schools across Canada, has gained worldwide attention, which the Executive Committee wholeheartedly supports. We have voted to provide a one-time monetary contribution of \$1,000 to this organization, to help with the cost of materials and distribution of quilts. You can check out their Facebook page <https://www.facebook.com/groups/1163361047509182/> or their new website, for more information <https://www.quiltsforsurvivors.ca/>. Our own Mary Dodd will continue to be our liaison, please contact her if you have any questions about what's needed.

Members are also encouraged to continue making placemats for Meals on Wheels, and pillowcases for the Comfy Cases project. As always, all photos for Show and Share can be forwarded to Marlen Weaver.

Darlene Jenah, President

Newsletter Reminder

There will be no newsletter for January. The next newsletter is February. An email reminder will be sent out near the end of December for the January meeting

Community Outreach (Core)

Thanks to all of you for your donations to CORE this month. We received 29 quilts, several Izzy dolls and have a total of 168 placemats for Meals on Wheels so far this year. We also received some wonderful fabric donations.

We are making our Christmas deliveries to our charity partners and their excitement to receive our beautiful quilts and placemats is wonderful to see. We still have time to deliver more, so if you have some quilts or placemats on the go, just let us know and we can pick them up.

We have received a request from the Salvation Army. They said that the teenage group (14-17) tends to be underserved and they really like pillowcases, so if you have time to make a pillowcase, it would be greatly appreciated. They need to be completed by December 15 in order to make their Christmas distribution. We are happy to pick them up from you. Here is a link to a video for making pillowcases

<https://www.youtube.com/watch?v=MrYWCma9wgM>

Just a reminder, there is no CORE workshop in December. The next workshop is January 12.

Thank you for your continued support of CORE. It is greatly appreciated.

Wendy Yule, Kathy Chapman, Sandra Dunlop and Mary Beth Filegan CORE Coordinators

Block of the Month

Congratulations to those that have made the first four blocks of our mystery. Make a note that they are block#6 and put in a safe place.

We know that everyone will be busy with the holidays, so this month will be simple. There will only be one block. Check our website the day after our guild meeting.

Enjoy the holidays to the fullest. There's lots to come in the new year. Happy holidays!

Linda Ward and Mary Dodd, BOM Convenors

Please send your Show and Share Pictures for the Guild Meeting to Marlene Weaver

In Memory

Mary Reynolds, a long time member of the guild, passed away on November 12, 2021.

I will remember Mary as a wonderfully sweet woman who always had a smile and a kind word at guild meetings. I know there are many of you who knew her well, with their own special memories. Her family has invited anyone who wishes to tune in to a live stream of her memorial service on Thursday, November 18, at 10:00 am.

Please see below for her obituary and the link to the live stream: (Editors Note: When I clicked on the link after November 18th, it seemed to still be functional so I've left it in here)

The guild has also received a letter from the daughter of **June Tomek**, informing us that June passed away from a stroke on October 28, in New Brunswick. As a founding member and first President of the Mississauga Quilters Guild, June was a master quilter, and loved quilts. She will be missed by her family, leaving behind many quilts for them.

Please keep their families and friends in your thoughts as we approach the holiday season.

Membership

Sadly, our numbers have decreased by one with the recent passing of longtime member June Tomek. Further to feedback from several members who pointed out small discrepancies in the membership list, I have updated all once again and thank them for their feedback. I changed the font size as well so the document should now print clearly on everyone's printers and not just my new one.

Melanie Blake, Membership.

Comfy Cases

A big THANK YOU to all our Comfy Cases sewers -- we are a growing team, with more volunteers creating fun and cheerful pillowcases for the kids! Now that the hospitals are getting back to normal, we have been able to donate to Credit Valley and Mississauga Hospitals, as well as Oakville Trafalgar, and now McMaster in Hamilton. We hope to add more hospitals to our distribution list in the new year, as we expand our horizons!

As always, we welcome donations of fabric (cotton, fun cheerful patterns for kids), finished cases from your stash, and those sewn up from our pre-cut kits. Let me know if you'd like to join in, and I'll contact you when I have more kits available!

Marlene Weaver, Past President

CQA

Check out the website for upcoming lectures. You can find the list of lectures here:

<http://canadianquilter.com/2021-webinars> This month the speakers are Jenny Doan and Luana Rubin. Tickets are available on the website.

Also check out the challenges for Quilt Canada 2022. The kits for Trendtex Refresh Challenge are available for purchase now for CQA members and on November 1st for non-members. There's a Rewire challenge for members and a Real Fun Youth Challenge for youth up to 19 years of age. Entries for this challenge need a CQA member to sponsor it. Finally, there is a Reaffirm challenge for member guild. This requires fabric colours to represent our province blue some red. The guild votes which challenge is their favorite and submits it. Details for all the challenges can be found here: <https://canadianquilter.com/cqa-acc-quilt-challenges-2022/>

Other Possibilities

- There are two zoom sewing sessions for you to join each week. Wednesday evening starting at 6:30 and Thursday afternoon starting at 1:30. You can stitch away while visiting with other members. I've used several Thursday afternoon sessions to help keep me entertained while working on tedious jobs like tracing over 500 shapes for a quilt. Now the applique can begin. Members are working on various projects. You don't necessarily need to sew. You can sit and visit or work on something else. Look for the email reminder with the link on Mondays.
- If you have a link to a tip, please send it to me for future issues.

My family calls these Angel Bites. The recipe book I use calls them Frying Pan Dainties. This website calls them Coconut Date Balls but the recipe seems correct. <https://www.allrecipes.com/recipe/25786/coconut-date-balls/> These are required cookies at Christmas for my family. Do you have a recipe suggestion? Please email me a link using the guild email address

Retreat 2022

Last chance to sign up for the Guild Retreat taking place at Elmhurst Inn & Spa in Ingersol from February 24 - 27 2022.

Registration forms and cheques must be received by the end of December.

Non members can also sign up at this stage.

This is a chance to meet all your quilting friends in person and not having to think about meals.

You can also enjoy a visit to the spa to ease the aching shoulders after a quilting session.

Everyone must be double vaxed to attend.
This might be the last Guild Retreat.
