

Summer Garden BoM

November 2022 - Wild Goose Chase

November features the Wild Goose Chase block; a simple quilt block with a pieced border of flying geese units and quarter square triangles accenting the corners.

Block instructions introduce the four-at-a-time flying geese construction method, which will be used in multiple blocks throughout the Summer Garden pattern, and two-at-a-time quarter square triangle construction.

As mentioned in the September fabric requirements PDF, this block requires the following;

For a throw sized quilt:

Background - 1 fat quarter OR 0.3m yardage

Fabric A - 1 fat quarter OR 0.25m yardage

Fabric B - 1 fat quarter OR 0.25m yardage

For a twin sized quilt:

Background - 3 fat quarters OR 0.85m yardage

Fabric A - 2 fat quarters OR 0.35m yardage

Fabric B - 2 fat quarters OR 0.35m yardage

For a queen sized quilt:

Background - 5 fat quarters OR 1.15m yardage

Fabric A - 3 fat quarters OR 0.45m yardage

Fabric B - 3 fat quarters OR 0.45m yardage

To make a quilt similar to the original sample design, use a **medium green background**, **medium purple fabric A**, and **dark purple fabric B**.

Summer Garden BoM

November 2022 - Wild Goose Chase

Wild Goose Chase Cutting Instructions:

To make 1 block, cut the following:

Background - 1x square at 5 ½"

2x squares at 3"

16x squares at 2 ¼", draw a diagonal line on the back side of each

Fabric A - 3x squares at 4"

Fabric B - 3x squares at 4"

Wild Goose Chase Assembly Instructions:

Select one 4" square of fabric A and draw a diagonal line on the back. Select one 4" square of fabric B and place it right sides together with the square of fabric A. Sew ¼" to either side of the drawn line.

Cut along the drawn line to make two half square triangles.
Trim to 3 ½".

Select one of the half square triangles and draw a diagonal line on the back that crosses the seam. Place this right sides together on the second half square triangle with their seams aligned and sew $\frac{1}{4}$ " to either side of the drawn line.

Cut along the drawn line to make two quarter square triangle units.

Trim to 3".

Set aside.

Select one 4" square of fabric A and two $2\frac{1}{4}$ " background squares. Place the two background squares on opposite corners of the fabric A square with the drawn line running diagonally across the fabric A square as shown below.

Sew $\frac{1}{4}$ " to either side of the drawn line.

Cut along the drawn line to make two heart shaped units.

Select another 2 ¼" background square and place it on the fabric A corner of the heart shaped unit as shown below. Sew ¼" to either side of the drawn line.

Cut along the drawn line to make two flying geese units. Trim to 1 ¾" x 3". Make 8.

Repeat the steps above using 2 ¼" background squares and 4" squares of fabric B. Make 8.

Using the 16 flying geese units, two quarter square triangle units, and the remaining background squares, assemble the block in one of the ways shown below.

Trim block to 10 ½" square.

For a lap quilt, make 4.
For a twin quilt, make 9.
For a queen quilt, make 14.
