

MQG Mystery 2021/22
December

The holidays are upon us, so this month will be easy...almost.

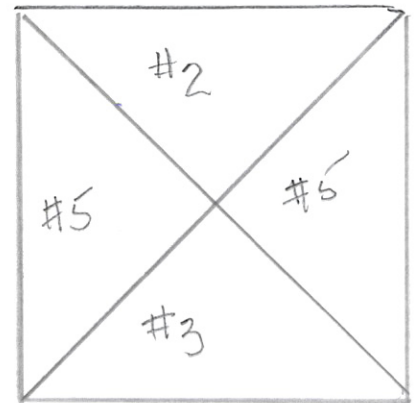

BLOCK #1 – Make 1

To make this block you will need the following:

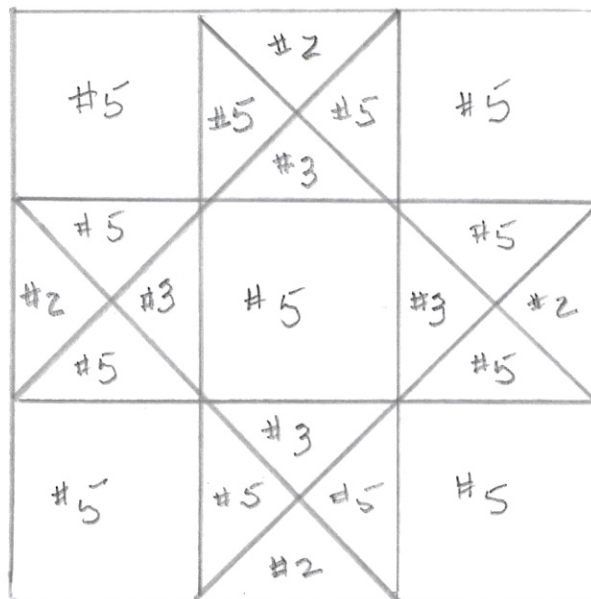

5 – 4.5" squares of fabric #5

4 – 4.5" hour glass blocks made of fabrics 5, 2,3

Use your favourite method to make your hour glass blocks. I use the Bonnie Hunter method with rulers. She has excellent videos.

Put together as shown.

The completed block is 12.5" unfinished.
