

MQG Mystery 2021/22
November

BLOCK #6 - Make 4

To make these blocks you will need the following:

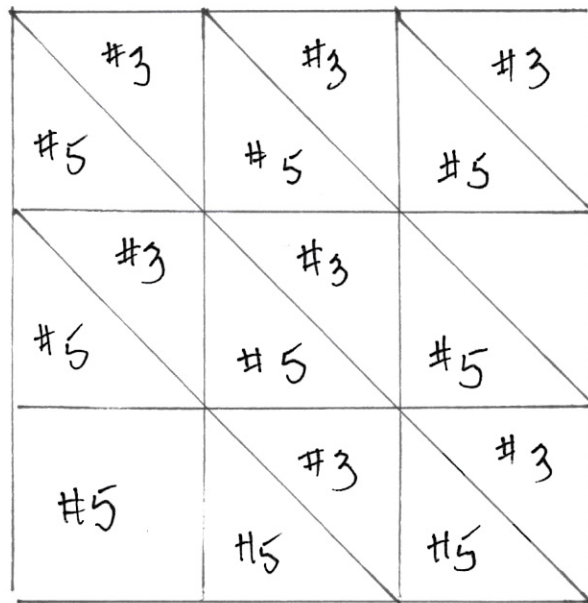

32 - 4.5" half square triangles made of fabrics #3, #5

4 - 4.5" squares of fabric #5

Note: I found checking to make sure all these blocks were 4.5" made putting the blocks together so much easier.

Put together as shown.

The completed blocks will measure 12.5" unfinished.
