# Stars of the City
March Blocks

In March, the Drunkard's Path block returns once again with
a third and final colour variation.

Drunkard's Path unit C incorporates one of the fabrics used in the
previous two units, fabric B, as well as fabric C, the block background
fabric. Using these two fabrics together acts to visually unify the
blocks with the curved boarder that contains them.

As with past months, there are also instructions for a straight
pieced variation called the Pseudo Drunkard unit. The curve
pieced and straight pieced versions of these units can be used
interchangeably to make a Stars of the City quilt.

To make either throw sized quilt, make 32 of Drunkard's Path unit C.

To make an XL twin sized quilt, make 48 of Drunkard's Path unit C.

To make a queen sized quilt, make 72 of Drunkard's Path unit C.

Pseudo Drunkard Unit B
Cutting Instructions

To make one unit, cut the following:

Fabric B: 1 square at 2¾"
    1 rectangle at 1"x 4½"
    1 rectangle at 1" x 4"
**Fabric C:** 1 square at 4"

Piecing Instructions

Draw a diagonal line on the back of the fabric B square.

Place the fabric B square on one corner of the fabric C square with the drawn line oriented as shown. Sew directly along the drawn line, then trim excess fabric,
leaving ¼" for seam allowance.

Sew the remaining rectangles of fabric B to the unit so they both run adjacent to the fabric B triangle as shown.

Trim to 4½" to complete Pseudo Drunkard unit C.
