

Blackwork Roads

A Block of the Month Pattern Designed by Valerie Anne

Fabric requirements assume
44" usable width of fabric

Seam allowance is $\frac{1}{4}$ " unless
otherwise specified

Methods are beginner friendly,
but include bias seams, matching
many corners, and small pieces,
especially in the smaller quilt
sizes.

In cutting instructions, to cut
diagonally once, yielding 2
triangles should look like this:

In cutting instructions, to cut
diagonally twice, yielding 4
triangles should look like this:

Each month, read all instructions
and notes before beginning to
piece blocks

Blackwork Roads is pieced using
four colours, two are divided into
dark, medium, and light values as
shown:

	Background Fabric	(BG)
	Accent Fabric	(Acc)
	Colour 1, Light	(Lt.1)
	Colour 1, Medium	(Md.1)
	Colour 1, Dark	(Dk.1)
	Colour 2, Light	(Lt.2)
	Colour 2, Medium	(Md.2)
	Colour 2, Dark	(Dk.2)

The sample quilt uses off-white
BG, teal Acc, shades of orange for
Lt.1, Md.1, and Dk.1, and shades of
brown for Lt.2, Md.2, and Dk.2.

Note: colour selection can be
simplified by forgoing the
variegated effect and combining
Lt.1, Md.1, and Dk.1 into colour 1,
and combining Lt.2, Md.2, and
Dk.2 into colour 2

Fabric Selection Tips

A solid or semi-solid fabric is
recommended for BG

Small, non-directional prints or
solid fabrics are recommended
for all remaining fabrics

All fabrics will be used adjacent to
one another, consider using
colours with good contrast

Remnants can be used in place of
yardage for this pattern but are
not recommended for BG, which
requires larger pieces
