Note: sort cut pieces based on the units they will be used in

Unit Piecing Instructions Two at a Time Quarter Square Triangles (QSTs):

Select one Acc square and one Lt.2 square.

Draw a diagonal line on the back of the Lt.2 square.

Place the Lt.2 square on the Acc square and sew $\frac{1}{4}$ " to either side of the drawn line.

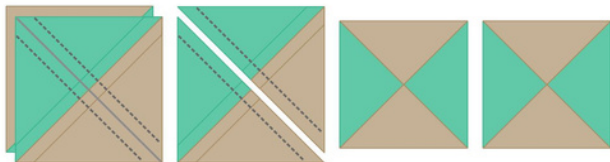

Cut along the drawn line to separate into two units.

Draw a diagonal line that crosses the seam on the back of one Lt.2/Acc unit.

Place the Lt.2/Acc unit with the drawn line on the Lt.2/Acc unit without. Arrange them with the seams aligned and the two Lt.2 sections on opposite sides.

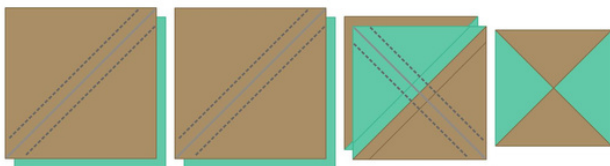

Sew $\frac{1}{4}$ " to either side of the drawn line.

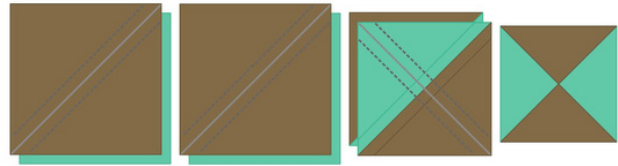

Cut along the drawn line to separate into two units.

Trim to $2\frac{1}{2}$ " for a small quilt.
 Trim to $3\frac{1}{2}$ " for a medium quilt.
 Trim to $4\frac{1}{2}$ " for a large quilt.

Make 8 Lt.2 QST units.

Make 6 Md.2 QST units.

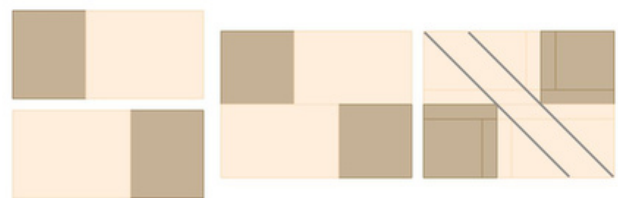

Make 6 Dk.2 QST units.

Two at a Time Split Triangles (STs):

Select two BG bars and two small Lt.2 squares. Sew one Lt.2 square to the short side of each BG bar.

Sew the two bar units along their long sides with the Lt.2 squares facing opposite ends.

Draw two diagonal lines on the back of the pieced unit, each running from one outer corner through the corner of the nearest Lt.2 square as shown.

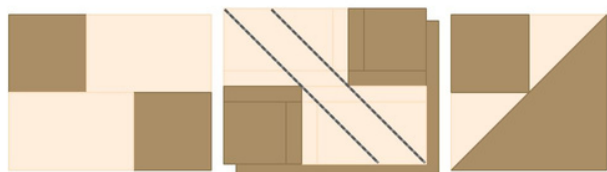

Place the pieced bar unit on a Lt.2 bar and sew directly along both drawn lines.

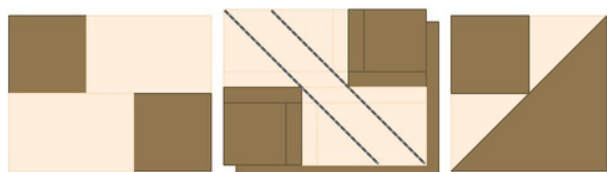

Cut halfway between the lines to separate into two units.

Trim to 2½" for a small quilt.
Trim to 3½" for a medium quilt.
Trim to 4½" for a large quilt.

Make 2 Lt.2 ST units.

Make 10 Md.2 ST units.

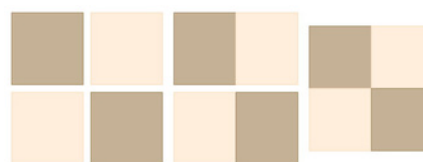

Make 2 Dk.2 ST units.

Four at a Time Half Split Triangles (half STs):

Select two small BG squares and two small Lt.2 squares.

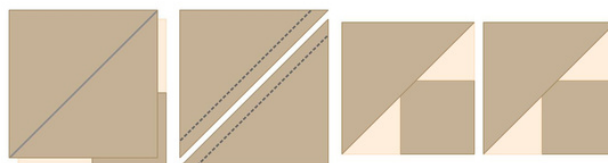

Assemble into a four patch unit with matching colours in opposite corners.

Select one large Lt.2 square and draw a diagonal line on the back.

Place the Lt.2 square on the four patch unit with the drawn line running across the BG squares.

Sew ¼" to either side of the drawn line.

Cut halfway between the lines to separate into two units.

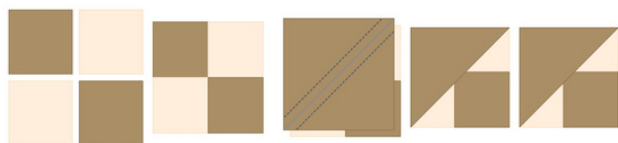

Trim to $2\frac{7}{8}$ " for a small quilt.
 Trim to $3\frac{7}{8}$ " for a medium quilt.
 Trim to $4\frac{7}{8}$ " for a large quilt.

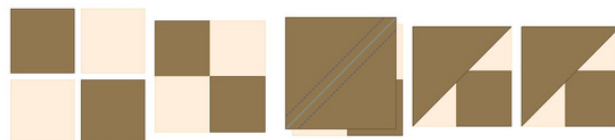

Cut the units in half diagonally through the Lt.2 corners to yield four half units total.

Note: half of the half split triangle units will be left facing and half will be right facing

Make 2 left and 2 right facing Lt.2 half ST units.

Make 2 left and 2 right facing Md.2 half ST units.

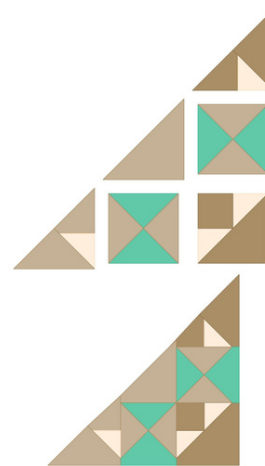

Make 2 left and 2 right facing Dk.2 half ST units.

Repeat the steps for February Centre Left, mirroring the block orientation as shown:

February Chunk Assembly:

Assemble the February Side Left, Centre Left, Centre Right, and Side Right into the complete February Chunk as shown:

Note: colour placement can be altered as desired to create many unique effects, but if following the original layout, the labelled diagram may be helpful

Note: sew a stay stitch along the bias edges of the triangular chunk to help prevent warping before quilt assembly
