Unit Piecing Instructions Central Double Square in a Square (DSiS):

Select the square of Dk.1 and four small BG triangles.

Mark the centre of each side of the square, and the centres of the longest side of each triangle.

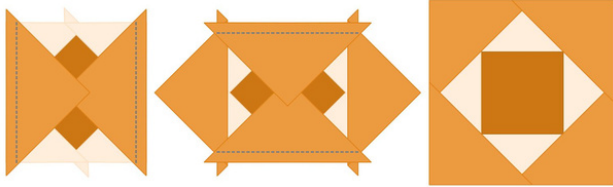

Note: fabric can be marked with pencil, pins, or by making a crease with a fingernail

Sew one triangle to each side of the square, aligning them at their marked centre points.

Select four large Md.1 triangles and mark the centres of the longest side of each.

Sew one triangle to each side of the pieced unit, aligning the marked centre points to the corners of the central square.

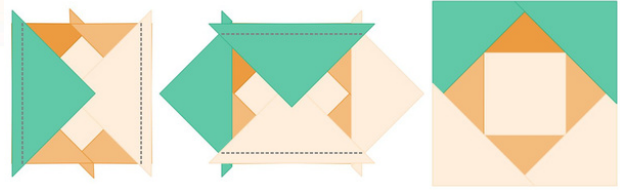

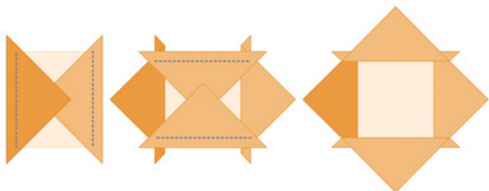

Trim to 4½" for a small quilt.
Trim to 6½" for a medium quilt.
Trim to 8½" for a large quilt.

Make 1 Central DSiS unit.

Side Double Square in a Squares (DSiSs):

Select one BG square, one Md.1 triangle, three Lt.1 triangles, two Acc triangles, and two BG triangles.

Assemble following the steps for the Central DSiS, placing the outer Acc triangles adjacent to the inner Md.1 triangle as shown:

Trim to 4½" for a small quilt.
Trim to 6½" for a medium quilt.
Trim to 8½" for a large quilt.

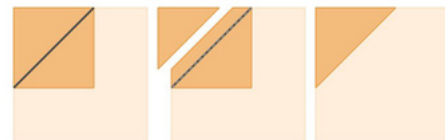

Make 4 Side DSiS units.

Stitch and Flip Square in a Squares (SiSs):

Select one BG square, one Md.1 square, and three Lt.1 squares. Draw a diagonal line on the back of each of the small squares.

Place one small square in the corner of the BG square with the drawn line crossing the corner.

Sew directly on the drawn line, then trim excess fabric, leaving a ¼" seam allowance.

Repeat in the remaining corners with the other small squares.

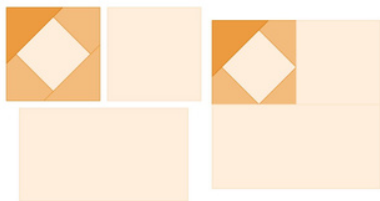

Trim to 2½" for a small quilt.
Trim to 3½" for a medium quilt.
Trim to 4½" for a large quilt.

Make 4 SiS units.

Finishing Instructions Corner Units:

Select one BG square,
one BG bar, and one SiS unit.

Assemble as shown, with the Md.1
corner of the SiS on the outer
corner of the block:

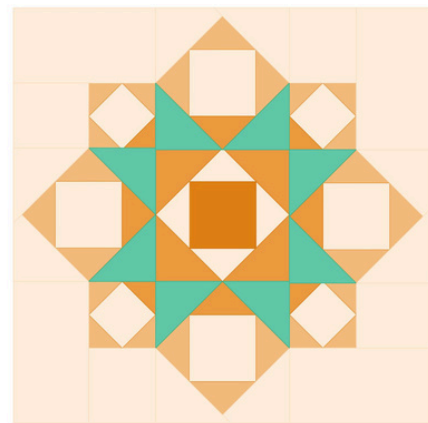

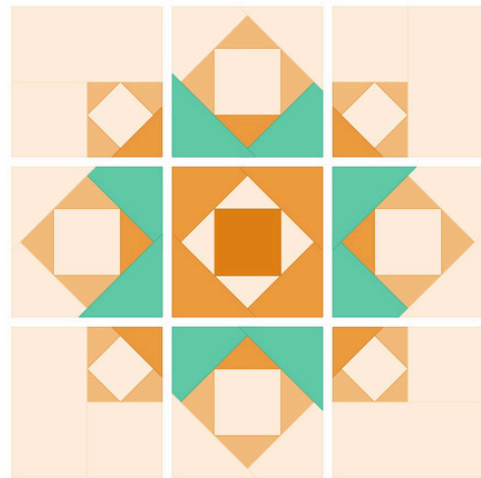

Trim to 4½" for a small quilt.
Trim to 6½" for a medium quilt.
Trim to 8½" for a large quilt.

Make 4 corner units.

September Block Assembly:

Assemble all the units into the
central block as shown:

Trim to 12½" for a small quilt.
Trim to 18½" for a medium quilt.
Trim to 24½" for a large quilt.
