## MQG Mini Newsletter- It's all about face masks

Hope everyone is staying safe and you are well. We are now almost through into week 9 of social isolation, although it seems like 90, and things change every week. While things are opening up, please continue to stay safe and take care.

Community organizations and family, friends and neighbours are grateful for the masks that many of you have made. Kathy Chapman is making a delivery to Children's Aid and Sandra Dunlop and I are dropping off masks for the Compass.

I think it might be time for some more fun photos. Did you know the name David means "beloved"? Well 3 members are married to David's – Susannah MacRae, Virginia Rothwell and me. Can you match the David to the guild member?

And now for another fashion show – Kathy Chapman, Darlene Jenah, Susannah MacRae and Teresa Henriques. Many of the masks people have made use fun "novelty" fabrics and I wish you could see Susannah's; let's just say think Magic Mike!

And let me introduce a new member Ted Bear.

Hope this brightened your day!
