Message from the President

Hello all!

As the unofficial start of summer arrives, another Guild year comes to an end with our Annual General Meeting. We will be meeting via Zoom, I look forward to seeing you before I hand over the keys to Marie Starr as your new President. It has been my pleasure to lead you through some of the most unusual times the Mississauga Quilters Guild has ever seen.

As a reminder, the upcoming Guild year will be a combination of in-person meetings **OR** Zoom meetings, as follows:

- September will be via Zoom Bee Night from the comfort of your home.
- October, November, December will be in-person.
- January, February, March will be via Zoom. This follows the lead of some other guilds who feel the unpredictable nature of winter weather made planning remote meetings a safer choice. This also allows us to bring you speakers from around the globe.
- April and May will be in-person.
- June may be via Zoom for the AGM, or in-person.

Just a reminder, only Regular (full) Members will be sent the Zoom link for the virtual meetings. We welcome visitors for the usual \$5 per meeting fee.

Over the summer, don't forget you can keep yourself busy with CORE quilts, placemats for Meals on Wheels, Comfy Cases pillowcases, and the Quilts for Survivors project. We will be continuing the Sew and Chat sessions, on Wednesday evenings and Thursday afternoons. Effective in June, we will be adding a Tuesday afternoon session!

Happy Stitching!

Darlene Jenah, President

Community Outreach (Core)

A very big Thank You to all our Guild members for making this another very successful year for CORE. You delivered large numbers of quilts, placemats, izzy dolls and pillow cases to us and we delivered them to our community partners. Charities that received our items were: Children's Aid, Salvation Army, Heart House Hospice of Peel, Peel Family Shelter, Breakfast with Santa Layette program, Meals on Wheels and Hospital for Sick Children. They were all very appreciative of your time, creativity and kindness.

We hope you will continue to make your wonderful creations over the summer. We have placemat kits and batting that can be delivered at any time. Also, we can access our storage cupboards at Tomken if you need any fabric. Just contact one of us and we will be happy to get you what you need. Our next CORE workshop will be in September.

Thank you again for your generosity. Have a happy and creative summer!

Wendy Yule, Kathy Chapman, Sandra Dunlop and Mary Beth Filegan CORE Coordinators

Nominating

Sadly, we are at the very desperate point where we will either fill these positions or they will not run. Please consider stepping up to ensure that we will be able to offer ongoing successful programming, workshops, a newsletter, and a website.

Whether you've been on a committee in the past, or have not, your input and help is greatly valued. These are positions that are already up and running, and you will have the support and guidance from those stepping down. Executive committee meetings will continue to be by Zoom, so you'll be conveniently meeting from home.

Please take a minute and consider helping the guild continue to run as well as it does. You can contact Marlene Weaver to chat, no commitment, to see how you can help.

Marlene Weaver,

Program

Congratulations to Liz Pomeroy won the free membership for the month of April!

Membership renewals are due by June 30 for the 2022-2023 Guild year. To date, we have had 51 renewals and welcomed 3 new members: Melissa MacInnes, Jean McPhee and Kathy Schofield. Our membership has been declining in recent years (hopefully only covid related) so reach out to your friends and family, whether experienced or newly interested in quilting to join us. The renewal form has been sent out in previous emails and is available in the Members only section of the website. Remember to get your renewals in early so you qualify for a free membership. As always, I am available for any clarifications.

Library

It has been an interesting two years as our actions have been guided by COVID 19 protocols. We began our tenure by collecting all outstanding materials. Thanks to the members that was a very successful exercise. Unfortunately for the past two years we have been unable to circulate our library materials. However, on the positive side, it has given us the opportunity to review our library materials and bring things up to date. This is very difficult to do when materials are constantly being circulated. The inventory is almost complete which will allow us to update our master list and correct any errors. Discussions are taking place to see if we can institute a more efficient system for circulating our materials. Although purchasing new items has been limited the last two years we hope to welcome you back and inspire your creativity with some current materials. It is now time for us to move on!
