Message from the President

Hello all!

Welcome to May, the month filled with spring flowers and budding trees. It's my favourite time of the year as colours pop and greens are bright and cheerful.

I was so pleased to announce that the Members of the Mississauga Quilters Guild were named COVID HEROES under the City of Mississauga's recognition program. Please click on the link below to view the announcement video. A portion of the nomination letter can be heard, read by Councillor Karen Ras from Ward 2. All Heroes will have a plaque on the monument at Mississauga's Celebration Square until the end of 2021, I'm looking forward to seeing it in person soon.

Please remember to tune in to our General Meeting scheduled for May 6, watch your email for the Zoom link. This month, our Program Committee brings us Cheryl Arkison, from Calgary Alberta, to talk to us about Scraps vs Scrappy quilts. I'm excited to learn what to do with my scraps and small pieces. <http://www.cherylarkison.com/>

We are still looking for willing volunteers to join the Executive Committee. Please consider whatever parts of being a member you enjoy the most, we'd love your input and participation around the virtual table. We are looking for Program, Workshops, Membership, CORE, and a Vice President. Marlene Weaver is heading this search party, put your hands up!

Don't forget to mark our June 3, 2021 meeting for our Annual General Meeting.

Keep well everyone, and Happy Stitching!

Darlene Jenah, President

Community Outreach (Core)

A big thank you to our guild members for your continued support of CORE. We received several completed quilts this month as well as quilt tops. We have distributed batting and backing to members who are making quilts for CORE.

We delivered 20 quilts to Children's Aid Society and they were very excited to receive them. We have a new charity requesting baby quilts - a group within Breakfast with Santa that provides layettes to distressed families with baby needs. So, any baby quilts you can provide would be greatly appreciated.

If you need any supplies to make a CORE quilt, let us know. We really appreciate your generous contributions.

Wendy Yule and Kathy Chapman, CORE Coordinators

Nominations

Many years ago, I was asked to join a committee as part of an organization I was with. I was surprised to be asked, and I didn't really think I had much to contribute. But I quickly learned that a team of people can do so much more than the sum of its parts. I found that I loved the energy created by a group of people working together and felt rewarded by the successes we brought to the organization. I learned that it's not just one person alone, but the team working together that makes it all happen. The rewards, the connections to other members, the personal gratification of having contributed. Very much like a quilt --- one piece may not seem like much, but when all the pieces come together, it can be amazing!

With that in mind, I'm asking you to consider joining the team of people that keep our guild running so smoothly. These position will become vacant this next year:

Vice President

Membership

CORE

Programming

Workshop

This is your chance to join a great team of volunteers and make some new connections with other guild members. If you are new to the guild, your fresh ideas and input would be greatly welcomed, and if you are a veteran member, your experience will be greatly valued. Remember, we are all volunteers, and each of us can help in our own way!

Marlene Weaver, Past President

Block of the Month

You all should have received the final appliqué pattern and finishing directions online from Patrick. If not, you should be able to check for that from Patrick. Linda and I hope you have enjoyed this entire process for the Wetlands quilt, and we look forward to seeing your finished tops or quilts as soon as possible or at least by September!

Linda Ward and Mary Dodd, BOM Convenors

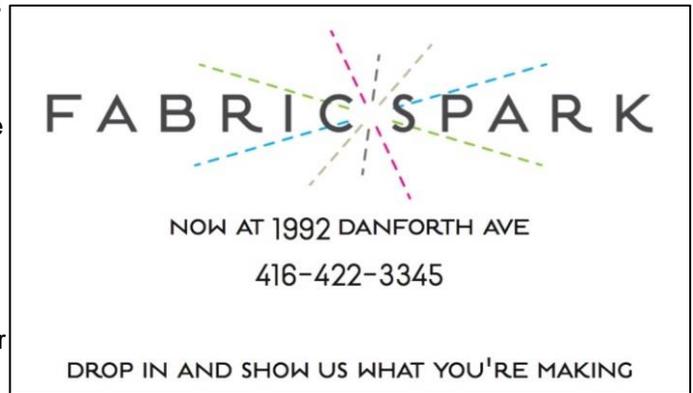

Please remember to mute during the zoom meetings if you are not speaking. A red line through your microphone indicates you are muted. The microphone symbol may be in the top right or bottom left of your screen depending on the device you use.

On a Windows computer? ALT-A will toggle your microphone between on and off. If you are on mute, hold the space bar to temporarily speak. You must hold the space bar all the time you are speaking.

Library

Although it will be a challenge, we are presently brainstorming and exploring ways we could safely reopen our library when the time is right. It certainly cannot be the same as it was in the past. In the meantime, it was suggested by one of the members that perhaps we could circulate the items that were collected and are still in our position as we have been unable to get them into Tomken. With that in mind, Diane made a list which is attached to this newsletter. If you are interested in borrowing any of the items, you would have to get in touch with Diane to arrange for pick up and return.

Since it is always nice to have new materials to browse through, we are looking into possibilities for new purchases to enhance our collection. If there is a particular book/magazine or a topic (e.g. modern) you would like us to pursue please let either of us know.

Diane McCullough and Jane Crockford, Library Convenors

Program

One of the positives of virtual meetings, is enabling us to bring Guest Speakers from anywhere in the world! Also, you don't have to go out in the cold/rain/darkness (have you noticed it rained or snowed almost every time there was a Guild meeting?). Instead, you get to sit back in your favourite chair, with a glass of wine and enjoy the show. So far, we had:

We have many lectures/programs in place for the 2021/2022 guild year; however, this pandemic is causing chaos with our schedules and we may have to reorganize our Speakers. Followup

After the fires in Australia in 2019, The Woolongong Modern Quilt Guild sent out a request for quilt blocks. Members of the guild made over 160 blocks. Some of the blocks were made into quilt tops and sent along with 2 tops made by the students at St. Louis school under the coaching of several guild members. Tish Leupen recently found an update on one of those quilts that was recently quilted and bound and will be donated shortly. You can see the finished quilt

A possibility for your snack during the meeting. Tracey Ann sent a link to a recipe. She says: Like this one as it's easy to take in for a lunch/picnic/shopping trip. Besides - cherries are the best fruit EVER! ;-)
